What kind of advice is needed when entering AE schemes? (With AES)

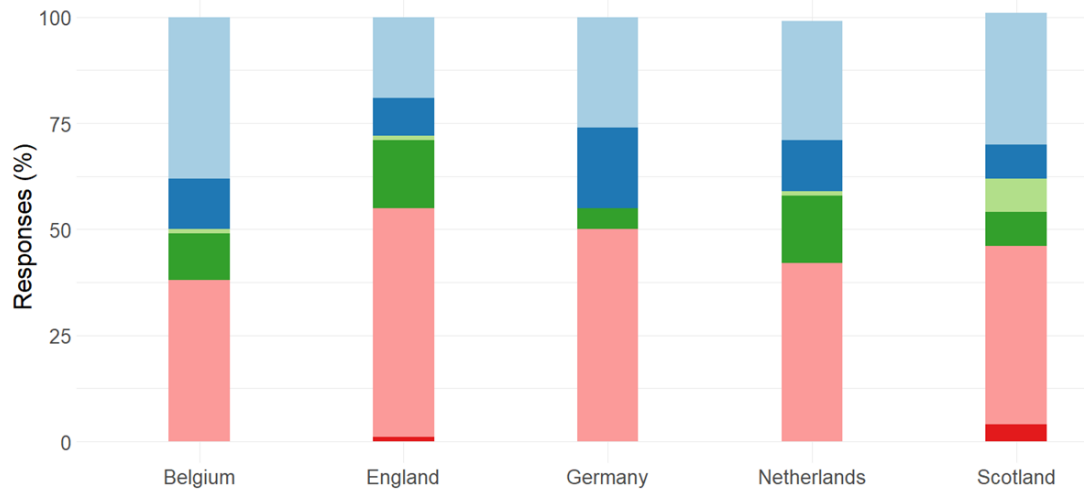

What kind of advice would you need when entering AE schemes?(Without AES)

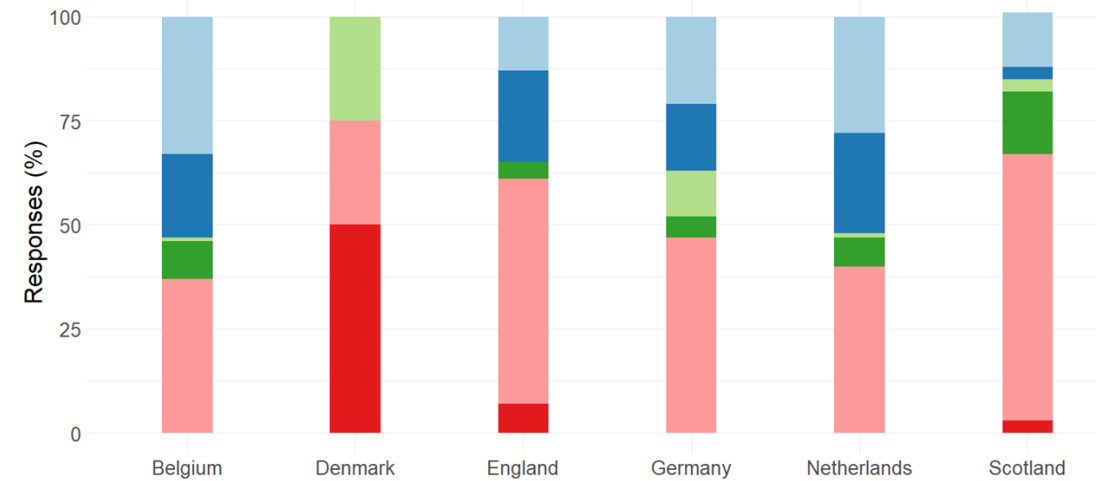

How often would you like advice? (With AES)

- Once a year
- Only when starting an AE scheme
- Other
- Two or three times a year
- When I request it
- No opinion

How often would you like advice? (Without AES)

- Once a year
- Only when starting an AE scheme
- Other
- Two or three times a year
- When I request it
- No opinion

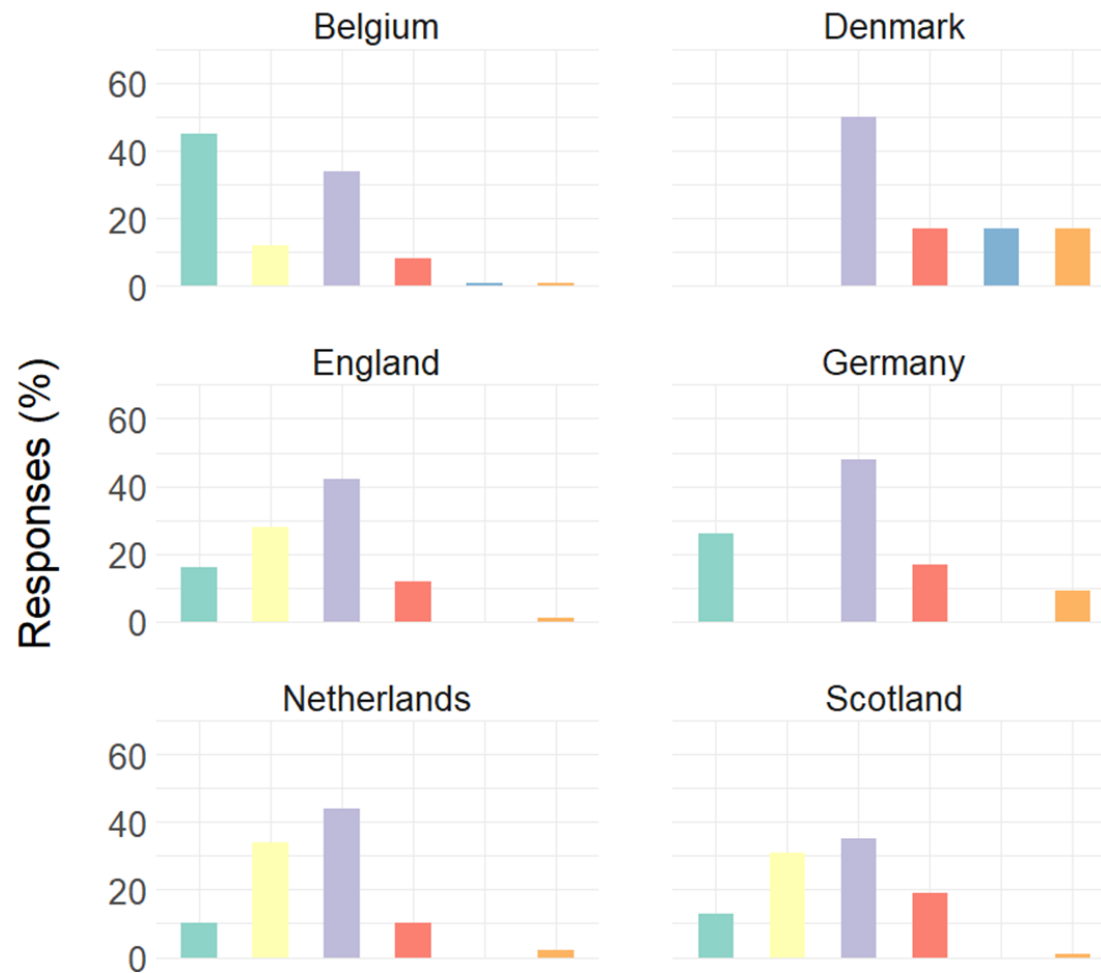

Where would you prefer to get advice?

With AES

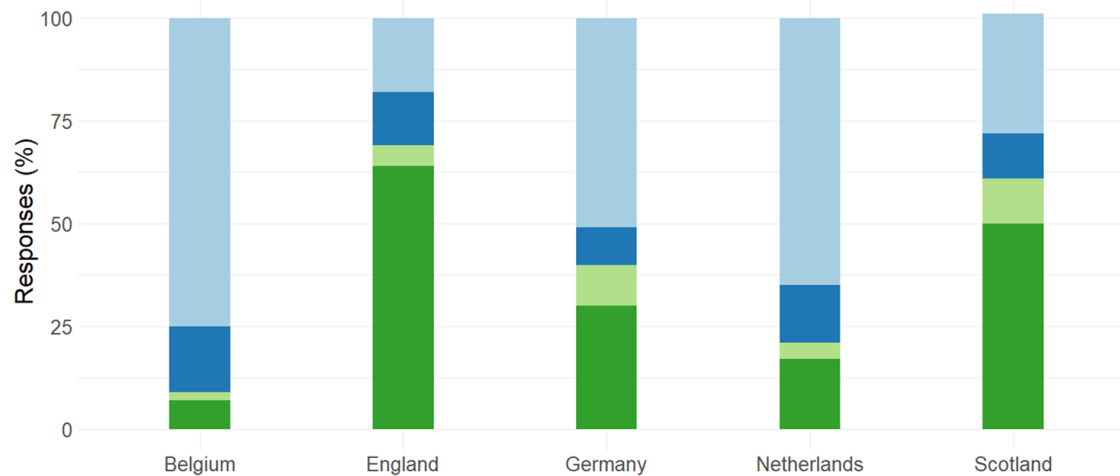

Without AES

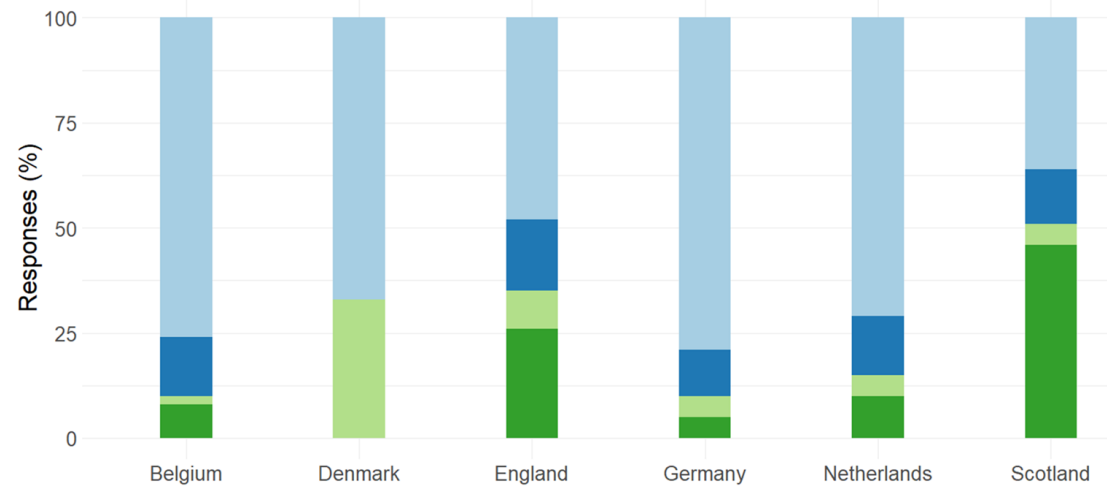

- Governmental advisors
- Advisor from a farmer cluster/collective
- Other advisor(e.g. wildlife charities, farmer advisor)
- I research solutions for myself
- I don't have opinion
- Other

Would you pay for advice?

With AES

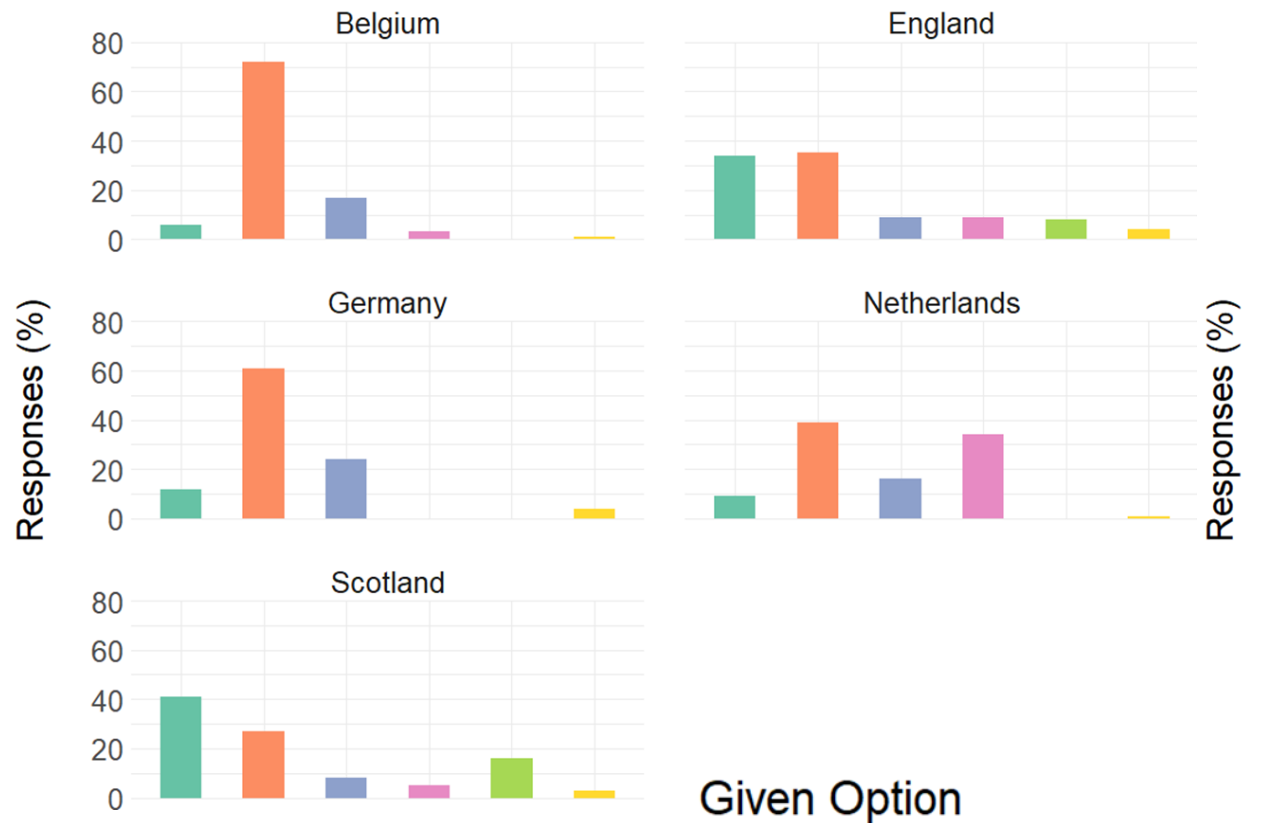

Without AES

■ No ■ No opinion ■ Other ■ Yes

Who should pay for the advice? (With AES)

Who should pay for the advice? (Without AES)

- Given Option**
- The farmer
 - The government
 - Non-government organisation
 - Farmers clusters
 - I don't have opinion
 - Other

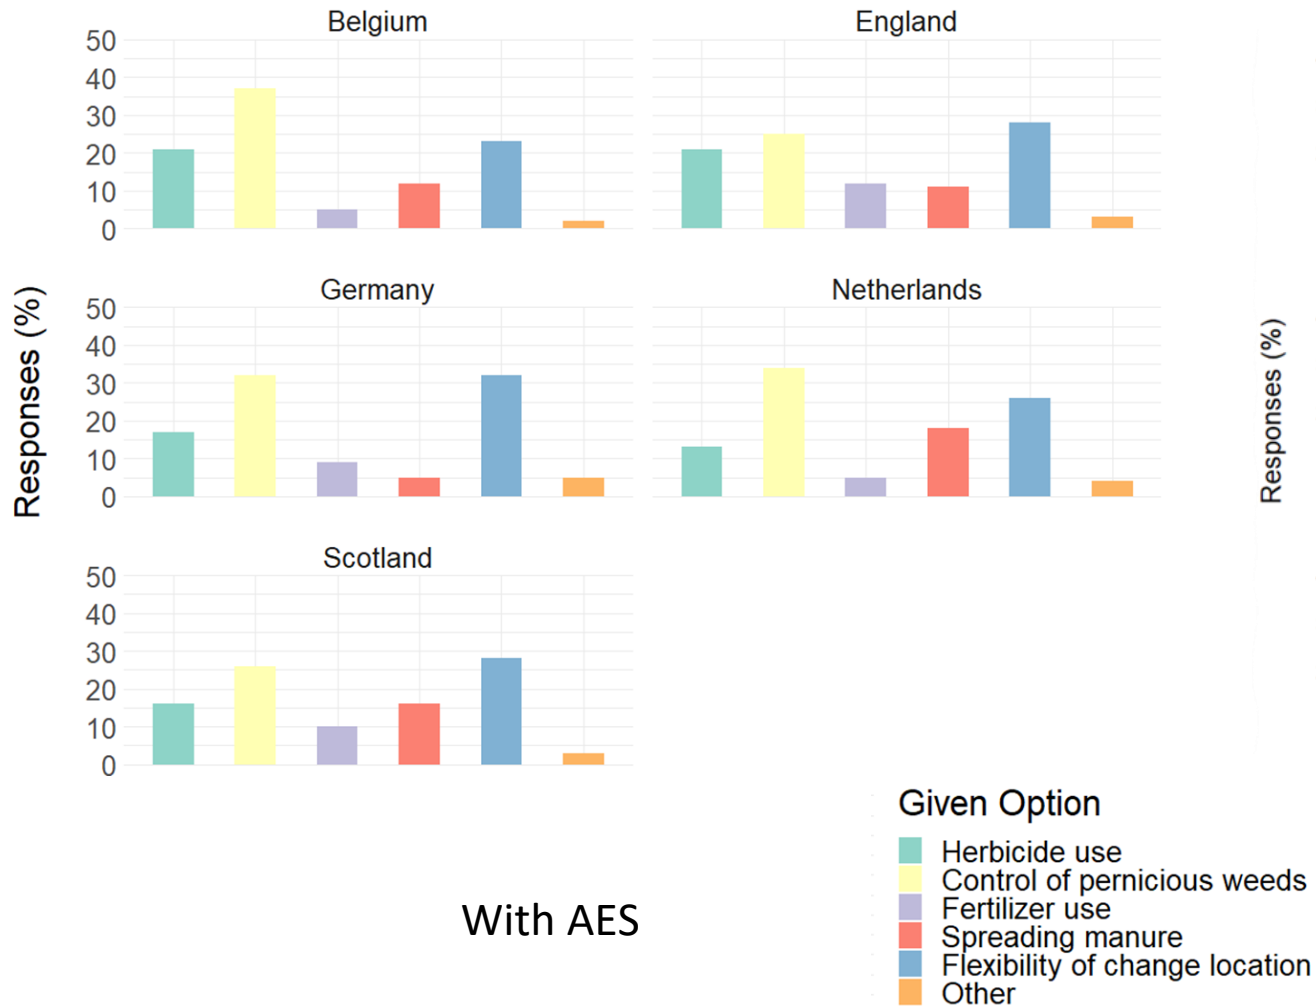

Thema: Flexibeleit

What aspects of agricultural management should be more flexible?

What aspects of mowing should be flexible?

With AES

Given Option

Without AES

- How many times need to mow
- The date required to mow
- Use of the mown grass
- How early are allowed to mow
- Other

Which aspects of sowing should be flexible?

With AES

Without AES

Given Option

- Ability to control weeds chemically before sowing
- Flexibility in sowing dates
- The ability to use fertilizer on the option
- Other

Which aspects of seed mixes should be flexible?

With AES

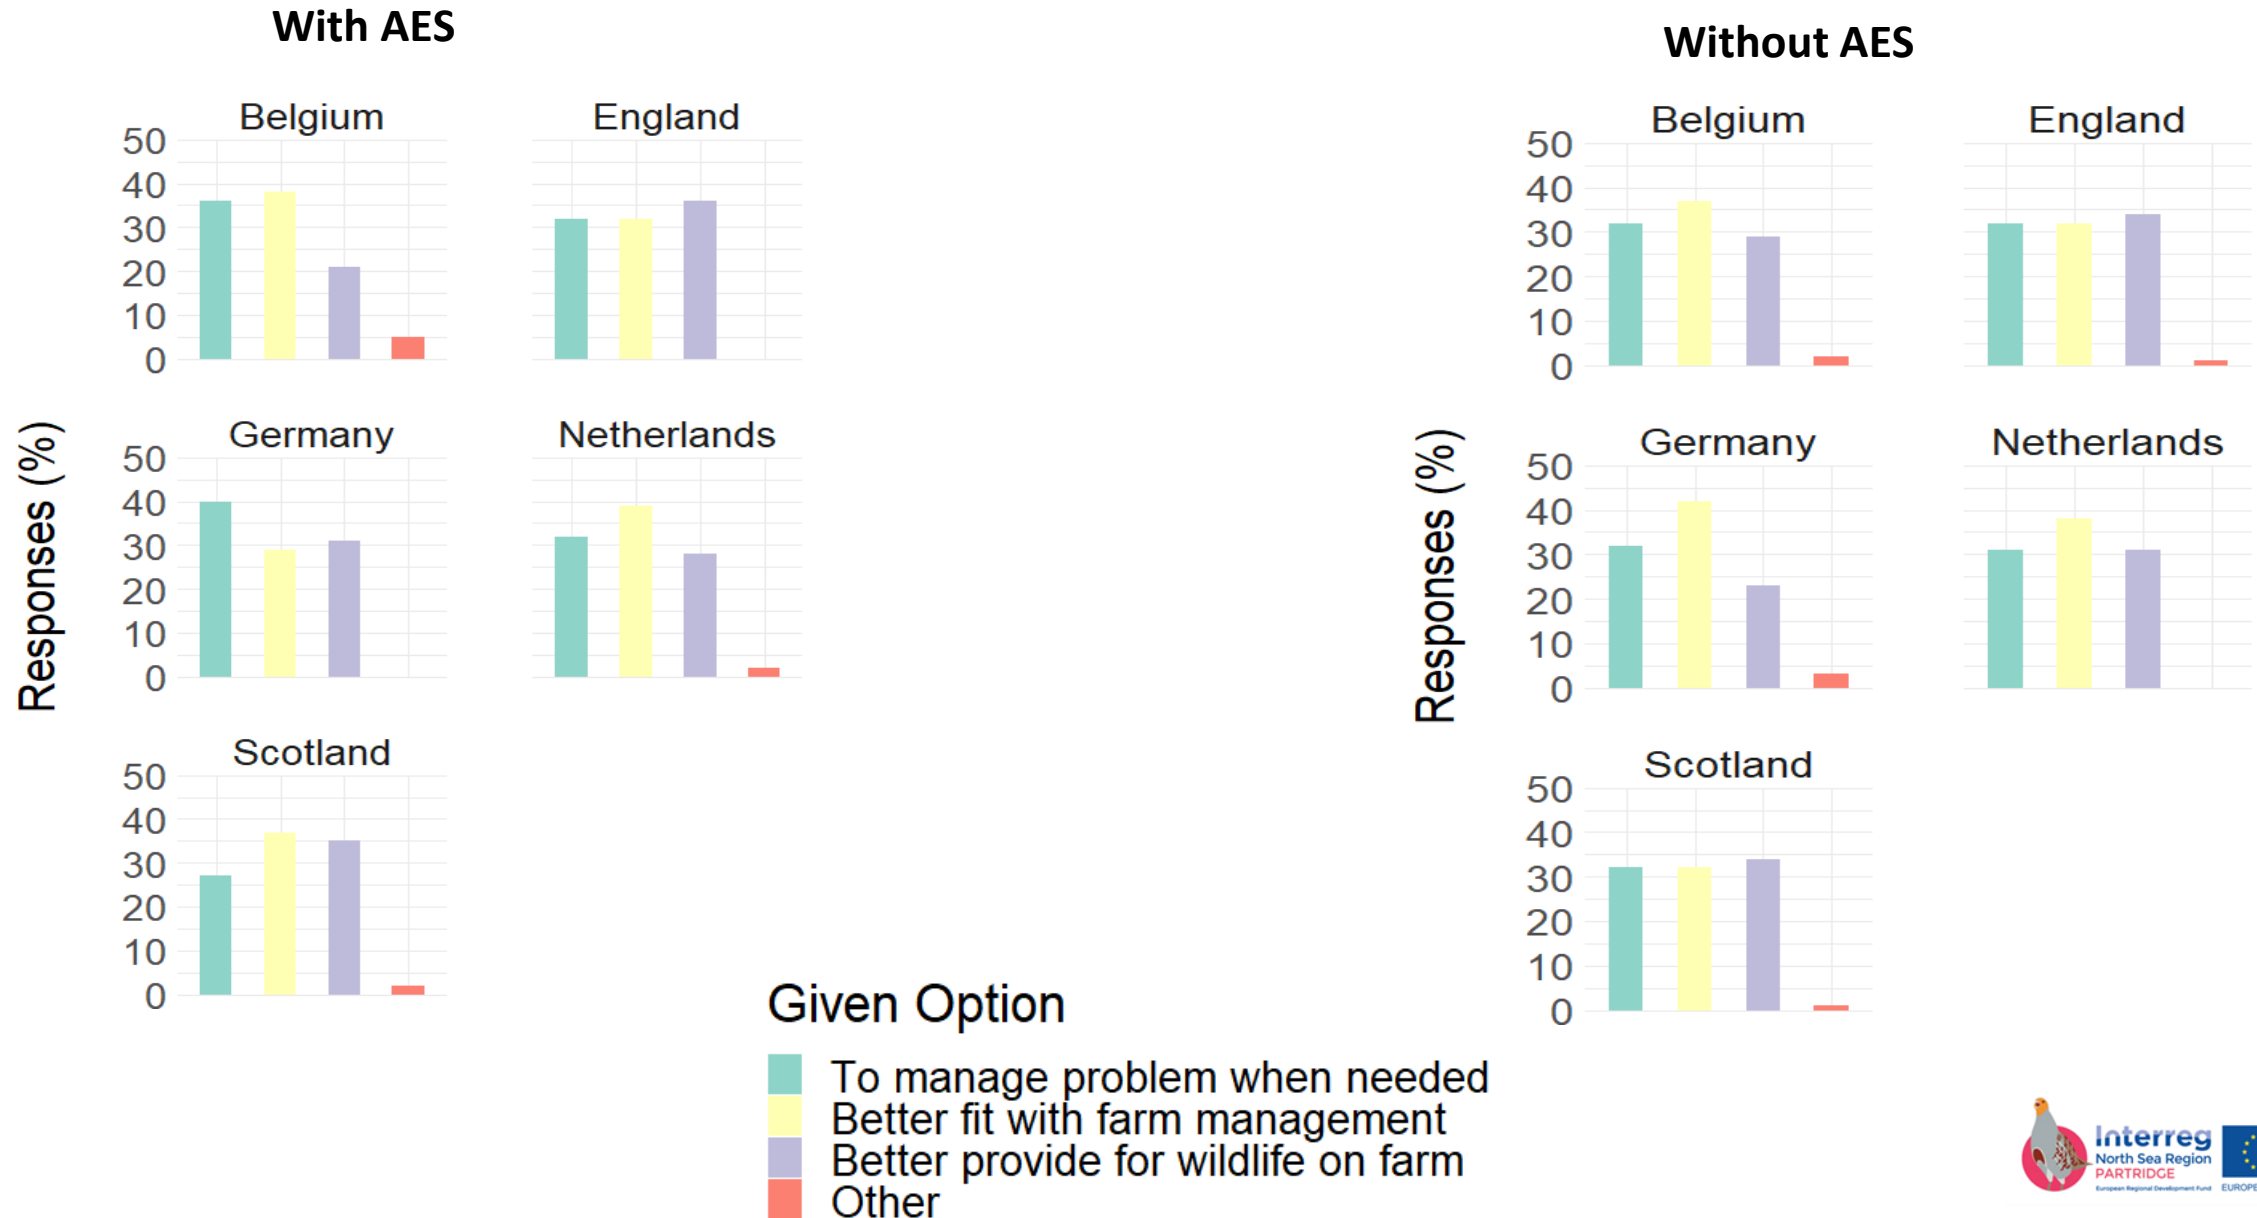

Without AES

Given Option

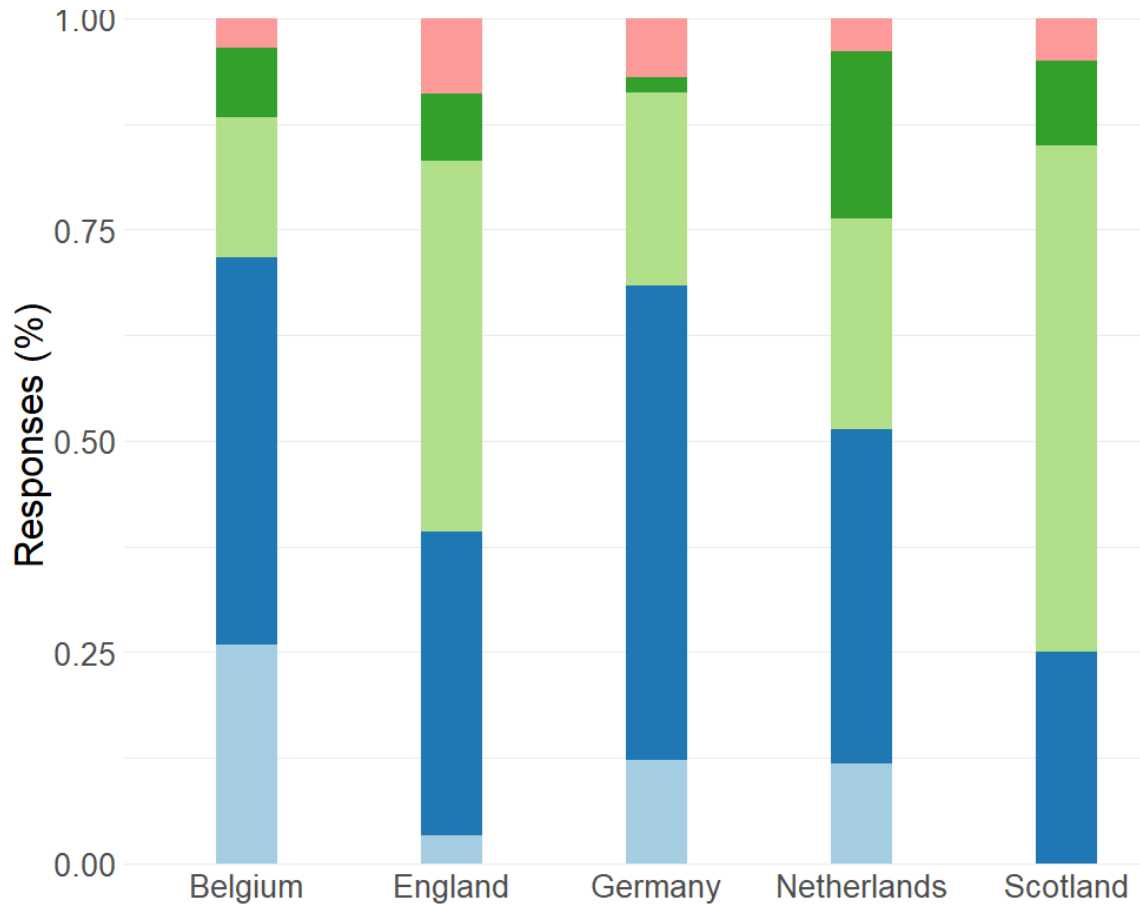

- Designing own mix
- Choosing from a set of predefined mixes
- Cost of seed mix
- Other

Why flexibility is necessary in the location of options?

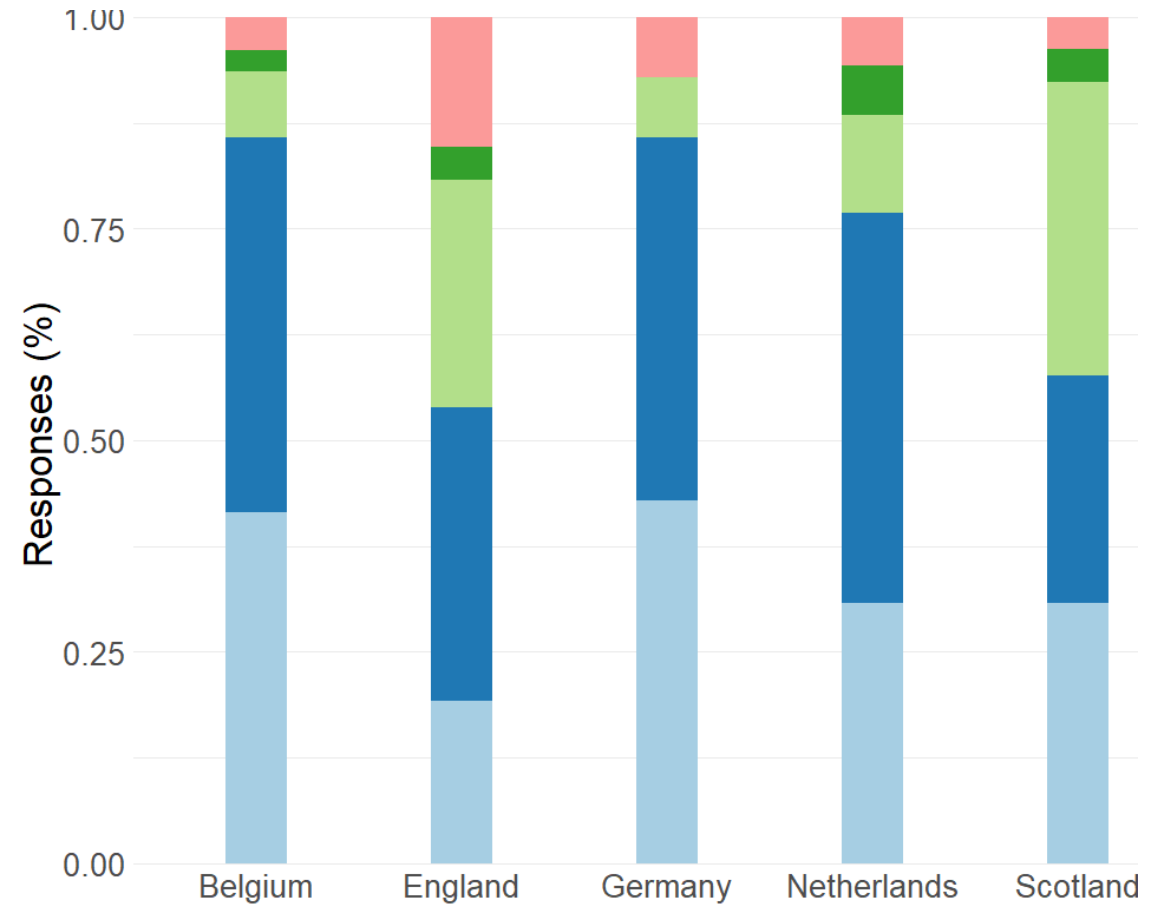

What length(s) of contract would you prefer?

■ Annual contracts
 ■ Short contracts (<5 years)
 ■ Medium length contracts (5-10 years)
 ■ Long-term contracts (10+ years)
 ■ Other

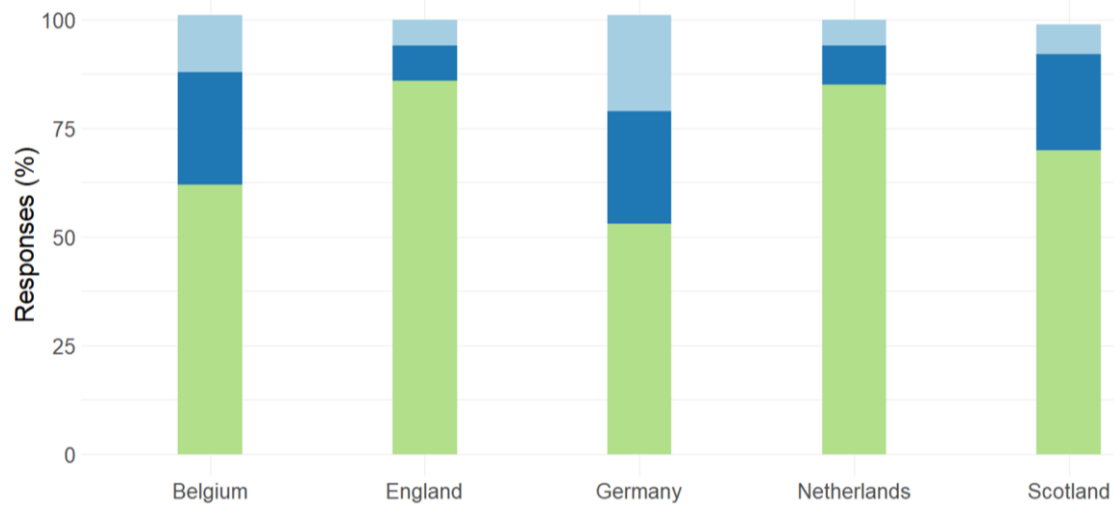

With AES

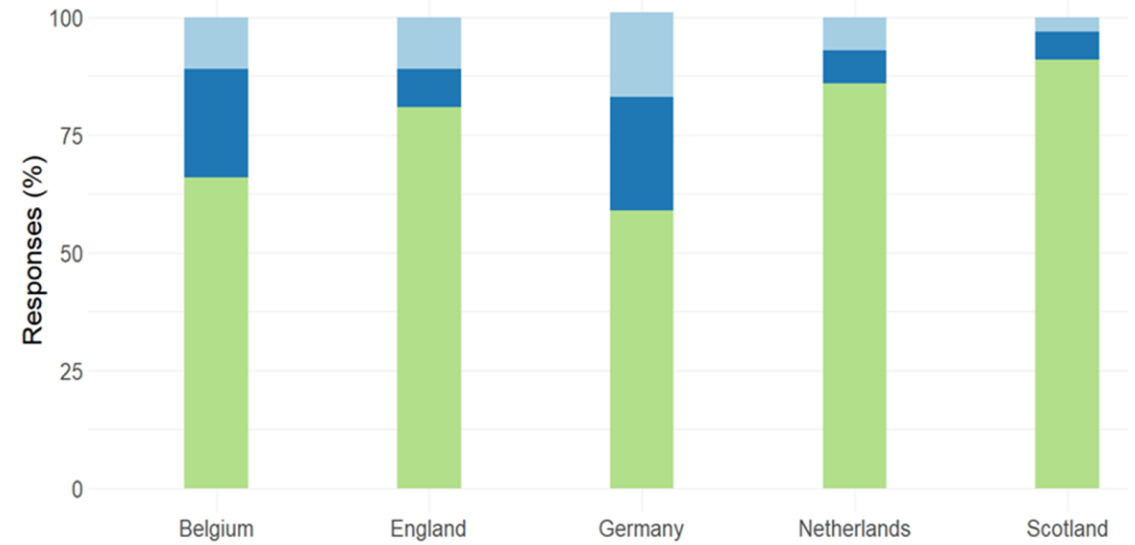

Without AES

More predation management should be available

■ No ■ No opinion ■ Yes

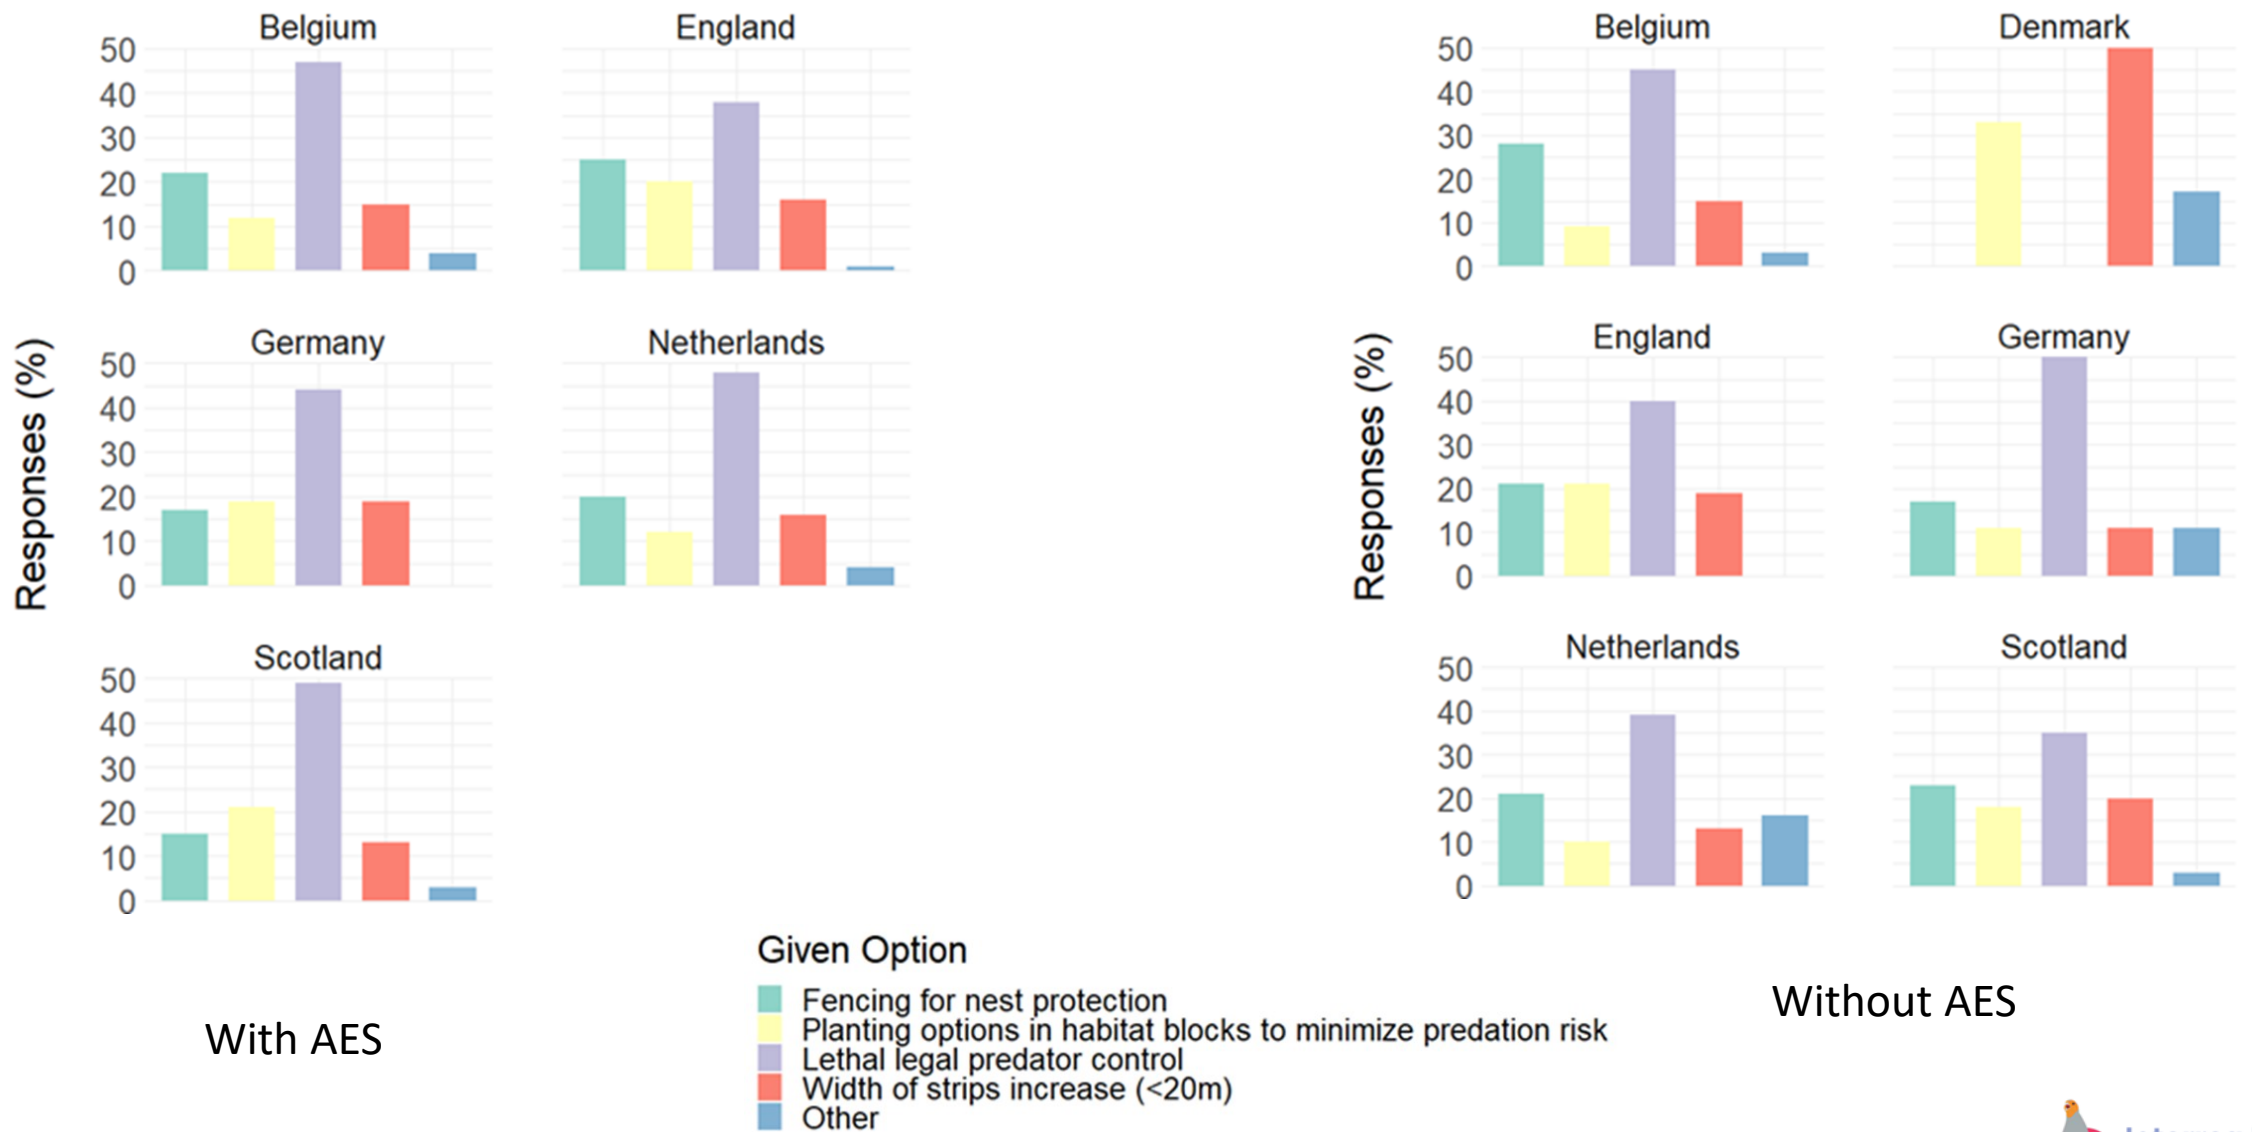

With AES

Without AES

What type of predation management options should be paid through AES
